Subject: Amnocoide catch data plotted.
Date: 10/03/2006 07:46 PM

Hi V'all:
Bob is on the boat & confirmed that they are intending to demoh today @ the end of sampling. Matt Loom is on board as the Dr. Windward reg. a seems to be moving toward that goal.
Sam is still well.
Trustees intend a call this afternoon with a few who are available...
